Langley

Grammar School

Extra-Curricular Clubs

2025-26

Last updated 05 Sep. 25

Introduction

What does belonging mean?	What does it mean when you say, 'I've got your back'?	How are you supposed to figure out what adulthood is all about?

At Langley Grammar Schol we want you to be more than a walking set of exam certificates.
We want you to be **Confident and Well-rounded**
Independent and Creative
Responsible and Caring.

What this means is that as well as your lessons, we want to support your wider personal development so that you can...

thrive as an individual...

...enable communities to thrive...

...in your adult lives.

Clubs and activities are a great way to learn the skills, attributes and cultural awareness that you need for all these things. They are not just for fun!

This guide will tell you about the wide range of activities that we can offer you at Langley Grammar School. We hope you will find things you will enjoy, want to try and want to learn more about. It might be Sport, Music, Musical Theatre, Computing or Design workshops. Some activities will only become available when you are older, such Duke of Edinburgh and Young Enterprise. But however, you choose to use that free time, remember there are always opportunities to grow as a person by doing more for that club. We've given you an example in this guide for the Dance Trope. We'll show you how for other activities in future versions of this booklet.

One last reminder - none of the teachers are paid extra for creating these opportunities. We hope you remember to show your appreciation. Langley Grammar is a very busy school so

over the year new clubs might start and others might stop. The days and times might need to be adjusted. We'll update this booklet periodically.

Last updated: September 25

Art and Photography

Art and Photography
Mrs Stanton

Available to	Day	Time	Venue	Term
Years 10-13	Wednesday	Lunchtime (13:30 start)	Room 105	All year

Dungeons and Dragons
Ms McBride

Available to	Day	Time	Venue	Term
TBC	TBC	TBC	TBC	TBC

At Langley Grammar there are many students from many faith backgrounds. Recognising that some need to pray during the day, a Multi-Faith Space is provided at lunchtimes, Monday-Thursday, in Rooms 101-102. This space is for students from any faith background and is lightly supervised by staff in surrounding offices and classrooms. We cannot accommodate requests for single-gender prayer spaces, and expect students to manage these spaces so everyone who wants to pray, can.

On Friday, students from a Muslim background often gather for Congregational Prayers in Room 703.

Music

Junior Orchestra
Miss Kenner

Available to	Day	Time	Venue	Term
Years 7-10	Monday	Lunchtime (13:30 start)	Room 301	All year

Dance, Drama and Musical Theatre

A focus on… Dance Troupe

Dance Club is not just for fun because…

- It teaches discipline, creativity and confidence
- Students feel proud when they accomplish something that is high quality
- Students are rehearsing for something that they take seriously.
- They learn to work with their peers and show leadership.
- It can be frustrating for other students if their partner(s) aren't there, because they can't practice and perform.
- The students will represent the school and change other people's opinions about what Langley Grammar students can do, beyond exams.
- The school pays money for the rights of the production, or the entry fees!

And leadership in this club looks like:

	7	8&9	10&11	Sixth Form
Commitment (Confident & Well rounded)	Turning up each week, particularly when it's new	Prepare ideas in advance, or lead warm ups.	Role models of 'fellowship' at events Helping with logistics, (e.g. hair and make up, sourcing costume)	Unashamedly advocate for dance at LGS, across all year groups, including Sixth Form.
Contribution (creative and Independent)	Contributing an idea to the choreography	Contributing ideas about what music / theme should used	Organise extra rehearsals where needed.	Demonstrating time management – getting amazing grades alongside developing self.
Respect (responsible and caring)	Helping each other to learn the choreography	Helping each other with technique (as well as the steps)	Peer-review: help younger students develop their performance skills (acting /	Model of patience and warmth in order to inspire younger students to develop the right skills and help teachers

			facial expression)	make the club happen (all those little things)
