Base layer – plain black or plain white (*optional*)

Beanie with school crest* (*outdoor option for autumn/spring terms*)

Cap with school crest* (*outdoor option for summer term*)

It is useful to have a games bag for storing and carrying sports kit.

Uniform General

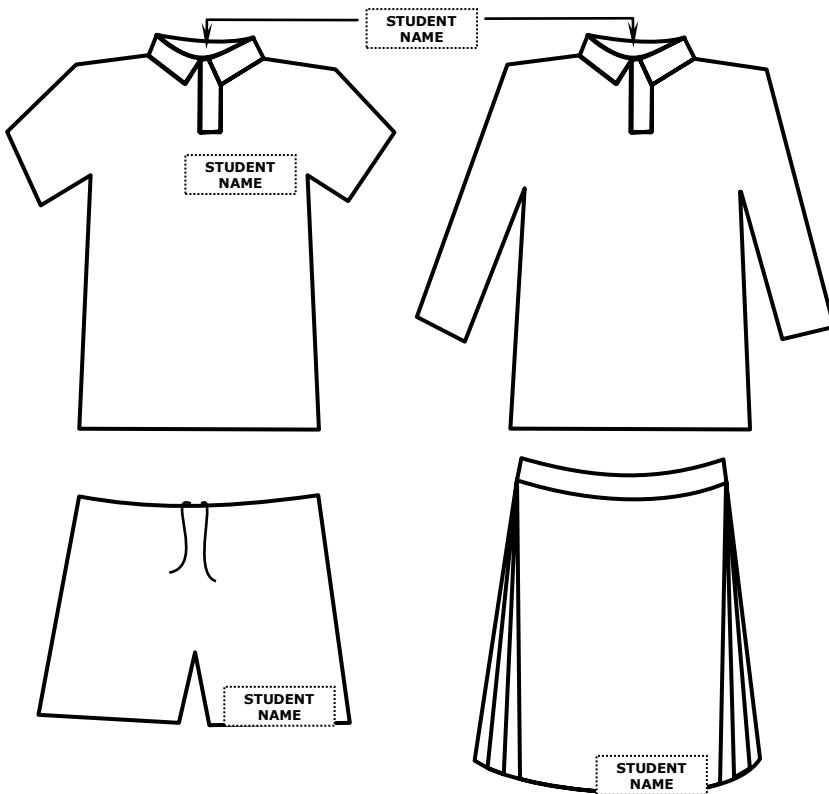

We take pride in the appearance of our students and therefore expect you to wear the correct uniform at all times and in the correct manner.

We expect parents to support us by ensuring that you are wearing uniform correctly when leaving home or being dropped off at school. For boys, this includes shirts tucked in and ties correctly knotted at the right length. Girls should ensure that their blouses are tucked in, skirts are of a suitably modest length and that their shoes are suitable for everyday school wear throughout the year. Girls must wear black or skin coloured tights or long knee length white socks. Bare legs are not acceptable.

We understand that some students may have religious reasons for wearing certain items of clothing or accessories. Head coverings such as turbans or hijabs (which must not obscure the face) are acceptable but should preferably be plain black. Items of religious symbolism should be discreet; in particular boys should note the legal requirement not to bring on to the school site any item which could be used as an offensive weapon. Girls who wish to wear a longer skirt for religious reasons may obtain a regulation ankle-length skirt from the uniform supplier. Students below the Sixth Form should be clean shaven. If a student has a religious reason for not removing facial hair, permission should be requested in writing to the Headteacher.

Labelling – boys' and girls' kit

All items must be labelled with full name tape on the inside and named on the outside as indicated below. We recommend the use of Cash's nametapes, order forms can be requested from the Student Support Office. Any additional equipment (football boots, trainers, shin pads) must be clearly labelled with your name and form.

This system of labelling not only assists the PE department, but it will usually enable your PE kit to be returned to you if lost. If the kit is not labelled we have no way of proving who it actually belongs to.

Jewellery and makeup

One small, single, plain gold or silver stud in each ear is permitted. This stud must be worn in the lower part of the earlobe and should be removed for PE and dance lessons. Students wearing studs other than in the lobes of their ears, at any time, will be expected to remove them.

In the interests of any potential health and safety issues, as well as for safety of the possessions, other jewellery worn for non-religious reasons is not permitted.

Fingernails must be short and nail extensions of any kind may not be worn. Nail varnish is not permitted and any student found to be wearing this will be asked to remove it immediately.

No obvious makeup should be worn.
