Headteacher: Mr J Constable

Subject Leader for Geography Main Scale London Fringe TLR2b £4,959 Required for September 2020

We are offering an exciting opportunity for a Subject Leader for Geography to lead a high performing and supportive team. This is a permanent appointment.

Geography is a strong and popular subject within the school. It is taught to all students in years 7-9 and approximately 50% of the cohort each year opt to take the subject for GCSE. There is also a committed uptake to A Level in the Sixth Form. Results are consistently strong, the use of technology to deliver the curriculum is well developed, and the staff team are both cohesive and experienced. The vacancy has become available due to the promotion of the former subject leader to a senior role in the school.

Langley Grammar School is a co-educational 11-18 selective school with academy status, located within easy reach of Langley station and the M4. We have approximately 1180 students, over 320 of whom are in the Sixth Form. The school is heavily over-subscribed and draws students from a wide geographical area and range of backgrounds. Alongside promoting excellent academic outcomes, our school ethos supports students to become confident and well rounded, independent and creative, responsible and caring. Our students are capable, hardworking and a delight to teach. We are a National Teaching School with a record of nationally recognised innovative practice, and an Apple Distinguished School in recognition of our leading-edge use of technology for learning. In recent years major building programmes have included the construction of excellent sports facilities, a distinctive Sixth Form Centre and new classrooms and laboratories. The school was last inspected in 2007, and was graded outstanding in all categories.

Information packs and application forms are available on request from the school, or can be downloaded from the school website at www.lgs.slough.sch.uk.

We are committed to safeguarding and promoting the welfare of children and expect all staff to share this commitment. Applicants must be willing to undergo child protection screening appropriate to the post, including checks with past employers and the Disclosure and Barring Service.

Applications should be returned by **Friday 5 June by 12pm** addressed to Mrs Jane Milward, Headteacher's PA. Interviews will take place as soon as possible after the closing date although we reserve the right to interview promising candidates prior to this date if applications are received early. Please note that due to the restrictions imposed on schools due to the coronavirus pandemic, it is unlikely that candidates will be able to visit the school or teach a lesson as part of the interview process. Instead, candidates' teaching and leadership ability will be assessed through other activities and online interviews.
