COVID-19 Testing at home of pupils and students in Secondary Schools and Colleges Privacy Statement

Ownership of the Personal Data

To enable the Covid-19 testing to be completed at Langley Grammar School, we need to process personal data, including the sharing of personal data where this is allowed under data protection legislation. Langley Grammar School is the Data Controller for the data required for the management of tests and implementing local arrangements in the event of a positive test and undertaking any actions needed by school as part of the school's health (including public health), welfare and safeguarding role and obligations.

Personal data relating to tests for pupils is processed under article 6 (1) (e) of the UK GDPR (public task). This is based on the academy proprietor's official authority for the conduct of the school. [Section 175 of the Education Act 2002]

We will process special category personal data under the provisions of article 9.2(i) of the UK GDPR, and Part 1 of Schedule 1(3) of DPA 2018 where it is in the public interest on Public Health Grounds to ensure we can minimise the spread of COVID in a timely manner and enable us to continue to deliver education services as safely and securely as possible. This data is processed under the obligations set out in Public Health legislation (Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI)) which allows the sharing of data for COVID related purposes and where it is carried out by a health care professional **OR** someone who owes an equivalent duty of confidentiality to that data.

Ownership of the Personal Data you share with DHSC

Every time you use a lateral flow test you must report the results. More details can be found here - [Report a COVID-19 test result - GOV.UK \(www.gov.uk\)](https://www.gov.uk/report-a-covid-19-test-result). The Department for Health and Social Care (DHSC) is the data controller for the information that you transfer to them about you/your child and your/your child's test results. For more information about what the DHSC do with your data please see their [COVID-19 Privacy Notice](#)

The school remains the Data Controller for the data we retain about you/your child for the management of tests and implementing local arrangements in the event of a positive test.

You should read both this Privacy Notice and the DHSC COVID-19 Privacy Notice to understand how your/your child's personal data is used prior to taking a test.

Personal Data involved

When tests are processed in school following personal data is processed by the school in relation to your/your child's test:

- Name
- Unique code assigned to each individual test and which will become the primary reference number for the tests.
- Test result

For more information about what the DHSC do with your data please see their [COVID-19 Privacy Notice](#)

How we store your personal information

The school will maintain a test kit log which will record against your name details of the testing kit which has been provided to you. The school may also record Personal Data about you in its internal COVID-19 test register the school COVID-19 test register will not be shared with DHSC). This information will only be stored securely on locally managed systems with appropriate access controls in schools and will only be accessible to personnel involved in the management of tests and implementing local arrangements in the event of a positive test.

The school will retain its test kit log and COVID-19 test register for a period of twelve (12) months from the date of the last entries made by the school into them.

For more information about what the DHSC do with your/your child's data please see their [COVID-19 Privacy Notice](#)

Processing of Personal Data Relating to Positive test results

We will use this information to enact our own COVID isolation and control processes without telling anyone who it is that has received the positive test.

For more information about what the DHSC do with your data please see their [COVID-19 Privacy Notice](#)

This information will be kept by the school for a period of twelve (12) months and by the NHS for eight (8) years.

Processing of Personal Data Relating to Negative and Void test results

We will record a negative and void result for the purpose of stock controls of tests and general performance of the testing process.

Data Sharing Partners

The personal data associated with test results will be shared with

- DHSC, NHS, PHE – to ensure that they can undertake the necessary Test and Trace activities and to conduct research and compile statistical information about Coronavirus.
- Your GP – the NHS may share the information you provide with your GP to maintain your medical records and to offer support and guidance as necessary. Any data you provide to the [school/college] will not be shared with your GP.
- Local Government to undertake local public health duties and to record and analyse local spreads.

Personal Data in the school/college's test kit log will be shared with DHSC to identify which test kit has been given to which individual in the event of a product recall. The [school/college] will not share its internal COVID-19 test register with DHSC.
