

## Slough Consortium of Grammar Schools Admissions – September 2024 Entry to year 7

Selective schools must inform parents of the outcome of admissions tests before the deadline for submission of the Common Application Form on 31<sup>st</sup> October in any given year. All 11+ testing, marking and standardisation must therefore be completed in time to allow the results to be notified to parents before 31<sup>st</sup> October.

The schedule for the Slough Consortium of Grammar Schools 11+ entrance examination process for September 2024 entry to Year 7 is therefore as shown below.

Please note that **Registration** is simply a request for a child to sit the 11+ test to determine whether they would be eligible for a place at any Consortium grammar school. **Submission of a registration does not constitute an application or an expression of preference for any particular school.**
