

Slough Consortium of Grammar Schools Admissions – September 2025 Entry to year 7

Selective schools must inform parents of the outcome of admissions tests before the deadline for submission of the Common Application Form on 31st October in any given year. All 11+ testing, marking and standardisation must therefore be completed in time to allow the results to be notified to parents before 31st October.

The schedule for the Slough Consortium of Grammar Schools 11+ entrance examination process for September 2025 entry to Year 7 is therefore as shown below.

Please note that **Registration** is simply a request for a child to sit the 11+ test to determine whether they would be eligible for a place at any Consortium grammar school. **Submission of a registration does not constitute an application or an expression of preference for any particular school.**
