

Slough Consortium of Grammar Schools Admissions – September 2022 Entry

Schools have a duty to inform parents of the outcome of admissions tests before the deadline for submission of the Common Application Form.

The Common Application Form must be submitted by 31st October in any given year. All 11+ testing, marking and standardisation must therefore be completed in order for results to be notified to parents before 31st October.

The schedule for the Slough Consortium of Grammar Schools 11+ entrance examination process for entry to Year 7 in September 2022 is therefore as shown below.

Please note that the Registration is simply a request for a child to be tested for eligibility for a place at any Consortium grammar school. **Submission of a registration does not constitute an expression of preference for any particular school.**
